INFORMATION DISCLOSURE STATEMENT LETTER

Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached form prepared by Applicants; this form is generally based on Patent and Trademark Office form PTO/SB/08a, but is not a USPTO form. Pursuant to 37 C.F.R. 1.98(a)(2)(ii), copies of cited U.S. patents and U.S. patent application publications are not included, but will be provided upon request. Copies of five foreign patent documents and eighty three non-patent literature documents are enclosed herewith. Due to the limitations of the EFS system, submission of the references will take place in two separate EFS submissions.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as

prior art under the patent statute and the mere use of any accompanying form, whether such form is generated by Applicant or is a USPTO form, is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission:

☒ Is filed within a time period according to 37 C.F.R. 1.97(b);

☒ Does not require the payment of a fee and is being filed before the mailing of a first Office action on the merits under 37 C.F.R. 1.97(b)(3); or

☐ Requires payment of a fee set forth in 37 C.F.R. 1.17(p) of \$180.00 under C.F.R. 1.97(c)(2), which fee is being paid electronically in conjunction with this EFS submission.

If this is not correct, or if problems are encountered using the EFS-Web system, please charge any deficiency or credit/refund any overpayment to Deposit Account No. 07-1969.

Respectfully submitted,
